**DEFENDANTS' SECOND AMENDED AND SUPPLEMENTAL OBJECTIONS TO
TRIAL EXHIBITS OF PLAINTIFFS**

Defendants The Palestine Liberation Organization ("PLO") and The Palestinian Authority ("PA") (collectively "Defendants"), by counsel, and pursuant to Federal Rule of Civil Procedure 26(a)(3)(B), object to the potential trial exhibits designated by the Plaintiffs in the proposed Second Amended and Supplemental Exhibit List of Plaintiffs Mark I. Sokolow, *et al.*, which was served on Defendants by email on June 6, 2014, as follows:

General Objections

The following general objections apply to each of the documents and things referenced in the proposed Second Amended and Supplemental Exhibit List of Plaintiffs Mark I. Sokolow, *et al.*:

1. Defendants object to Plaintiffs' designation of any documents or things after the deadline set by the Court for submission of the proposed Joint Pretrial Order. Defendants submit these Second Amended and Supplemental Objections in order to avoid any waiver of objections by operation of Federal Rule of Civil Procedure 26(a)(3)(B), and without waiving their position

that Plaintiffs' "Second Amended and Supplemental Exhibit List" is untimely, lacks good cause, and should not be allowed by the Court.

2. Defendants object to Plaintiffs' designation of any documents or things which are, or derive from, documents or things that were not produced or disclosed by Plaintiffs during the course of fact discovery in response to discovery requests from Defendants and/or as required by Federal Rule of Civil Procedure 26(a)(1) and this Court's Orders. Defendants reserve the right to revise, supplement and amend their objections when and as Plaintiffs are able to confirm the timely production or non-production of each of the potential trial exhibits designated by Plaintiffs.

3. Defendants object to Plaintiffs' designation of any documents or things that constitute, or otherwise contain, opinion evidence or testimony that Plaintiffs were required to disclose at the time, and in the manner, required under Fed. R. Civ. P. 26(a)(2), 26(b)(4) and this Court's Scheduling Order.

4. To the extent any documents or things have not yet been produced, by copies or otherwise, Defendants reserve the right to revise, supplement and amend their objections when and as such documents or things are produced by Plaintiffs.

5. Plaintiffs' Designation does not include an adequate explanation or proffer of their purported basis for admissibility of their designated potential trial exhibits. Accordingly, Defendants reserve the right to revise, supplement and amend (including to withdraw) any of their objections when and as Plaintiffs provide such explanation or proffer.

6. With respect to their assertion of an "authenticity" objection to certain of the potential trial exhibits designated by Plaintiffs, Defendants reserve the right to revise, amend or

withdraw that ground for objection when and as they receive from Plaintiffs, or are otherwise able to obtain, information that might confirm the authenticity of such documents or things.

7. To the extent applicable, Defendants incorporate herein by reference their Objections and Counter-Designations to Plaintiffs' Deposition Designations and Objections and Counter-Designations to Plaintiffs' Counter-Designations.

8. Defendants reserve the right to revise, supplement or amend (including to withdraw) any of their objections following good faith discussions with Plaintiffs concerning their designations.

Specific Objections

Defendants incorporate herein by reference the foregoing General Objections. In addition, Defendants assert the following specific objections to the documents and things referenced in Plaintiffs' designation of potential trial exhibits:

1. Defendants incorporate herein by reference, as their objections to specific potential trial exhibits designated by Plaintiffs, the table that is attached hereto as Exhibit A.
